PROFESSIONAL SUMMARY

Motivated Information Technology undergraduate at the Institute of Technology, University of Moratuwa (ITUM), seeking an IT internship with a strong interest in Software Quality Assurance, software testing, and software development. Familiar with SDLC, testing fundamentals, black-box and white-box testing, and REST API testing using Postman. Academic project experience in React-based interface development, feature implementation, and system testing. Eager to contribute to a collaborative IT team while strengthening practical engineering and quality assurance skills.

TECHNICAL SKILLS & COMPETENCIES

Software Quality Assurance & Testing: SDLC; functional and non-functional testing; integration testing; black-box and white-box testing; test case concepts; REST API testing; HTTP status codes

Tools & Platforms: Postman, Git, GitHub, IntelliJ IDEA, Figma

Programming & Web: Python, Java, JavaScript, React.js; UI/UX design

Databases: SQL; database fundamentals

Professional Strengths: Problem-solving, attention to detail, teamwork, communication, willingness to learn

ACADEMIC PROJECTS

ASWANNA — Agricultural Platform | Final Group Project

- Developed the local buyer dashboard and implemented features supporting buyer-related workflows.
- Contributed to overall system testing, reviewing functionality and identifying issues during development.
- Collaborated with team members to deliver and present the final academic project.

Book World — Online Book Reading Website | React.js, JavaScript, CSS

- Developed a responsive web interface for browsing books, searching by title or author, and filtering by category
- Built user-facing pages for registration, login, book details, and reading eBooks/PDFs.
- Focused on intuitive navigation, reusable React components, and a user-friendly reading experience.

REST API Testing Practice | Postman

- Practiced sending API requests, checking responses, and interpreting common HTTP status codes.
- Explored validation of REST endpoints as part of developing practical QA skills.

EDUCATION

National Diploma in Technology (NDT) — Information Technology

Institute of Technology, University of Moratuwa (ITUM) | Started 2025 | In progress

Two-year academic program with an industrial training component.

G.C.E Advanced Level — Physical Science (Mathematics) Stream (Concluded 2023)

ST.MARY'S CONVENT , MATARA

Combined Mathematics (C), Physics (S), Chemistry (C)

AREAS OF INTEREST

- Software Quality Assurance
- Manual Testing & API Testing
- Software Development
- Front-End Development
- UI/UX Design

Certifications & Professional Development

- Theory of Software Testing- Alison, Apr, 2026
- Machine Learning with Artificial Intelligence - Alison , Aug, 2026
- AI for Business Professionals - HP LIFE , Jul, 2026
- Critical Thinking in the AI Era - HP LIFE, Jul , 2026
